

Bóloz-Kulesza Trust Fund 2020/2021

Call for Scholarship Applications

**Edinburgh Level 2 CT Cardiac course
14 -18th September 2020**

Closing Date for Applications: 17.00hrs Monday 2nd March 2020. Late applications will NOT be considered

Introduction

The Bóloz-Kulesza Trust Fund supports a thriving scholarship programme which enables successful applicants to undertake a period of further study or research at The University of Edinburgh Medical School and related institutions.

The Courses: The Edinburgh Level 2 CT Cardiac courses are delivered by experts in the field and are highly popular. Feedback from previous participants is very positive. Places on the course will be limited and are in demand. For further information on the courses go to: <https://www.ct-academy.org/>

The Scholarship: One scholarship will be available. The scholarship covers the cost of the course fee at the trainee rate and accommodation (see below for each course). Accommodation is provided on a single room bed and breakfast basis at Pollock Halls of Residence and will be arranged by the Coordinator. *Applicants who wish to make their own arrangements for accommodation, do so at their own expense. The scholarship does not cover travel to and from Poland.*

Edinburgh Level 2 Cardiac CT course 14th-18th September 2020

Accommodation will normally be provided for 6 nights - that is from Sunday 13th September 2019 to the morning of Saturday 19th September 2020.

Eligibility

These scholarships are open to **Polish medical doctors in training** involved in cardiovascular imaging who are:

- in their early career (*usually* within 10 years of their medical graduation - MB ChB equivalent)
- working in Polish Medical Academies/Universities and Research Institutes
- committed to the further development of expertise in the field of cardiovascular imaging in Poland and
- have excellent mastery of English .

Successful applicants are:

- expected to meet the general criteria for the award of these scholarships;
- attend the full course, not arrive late and/or depart early;
- submit a short report of their experience on the course by e-mail to the Scholarships Coordinator within one month of its completion

The expectation and intention of the founders of both The Polish School of Medicine Memorial Fund and the Boloz-Kulesza Trust Fund Scholarship Programmes are that successful applicants will return to their units/ departments in Poland on completion of their attachment/studies, use their new found skills to further enhance and develop Polish medicine including medical research and thus foster academic links between Polish Medical Universities and Research Institutes and The University of Edinburgh.
