

**Application for allowing participation in the contest procedure for admission to the Doctoral School on account of the indicated exceptionally high quality of scientific achievements to date**

Surname and first name: .....

field of studies.....

year of studies.....

university.....

Path of education (select one of the paths of education: pharmaceutical sciences, medical sciences, health sciences, international path): .....

1. Laureate of the Diamond Grant programme <sup>a</sup>(6 points/grant)
2. Diploma with honours or „Primus Inter Pares” diploma <sup>a</sup>(6 points/diploma)
3. Research Project Manager <sup>ab</sup>
  - KNOW (2 points per project)
  - research projects financed from the resources of higher education institutions (1 point per project)
4. Beneficiary of other external grants <sup>ab</sup> (6 points/grant)
5. Work in a student scientific club STN, among others, 1 academic year, max. 2 scientific clubs/academic year <sup>c</sup>(1 point per year)
6. Works presented during scientific conferences <sup>adef</sup>
  - a) national (max. 5 papers)
    - oral presentation – presenter (2 points per work)
    - oral presentation – co-author (0.5 points per work)
    - poster – presenter (1 point per work)
    - poster – co-author (0.25 points per work)
  - b) international (max. 5 papers)
    - oral presentation – presenter (4 points per work)
    - oral presentation – co-author (1 points per work)
    - poster – presenter (2 point per work)
    - poster – co-author (0,5 points per work)

7. Awards and distinctions for the presented works (from point 10)<sup>b</sup>:
  - during national conferences (1 point per award)
  - during foreign conferences (2 points per award)
8. Awards and scholarships of the Ministry of Health, other ministries or nationwide ventures <sup>a</sup> (4 points per award/scholarship)
9. Awards and local scholarships (city president's, marshal's)<sup>a</sup> (2 points per award/scholarship)
10. Publications
  - a) in journals with Impact Factor in the scope of:
    - $0 < IF < 1,5$  (first author – 4 points/work, co-author – 2 points/work)
    - $1,5 \leq IF < 3,0$  (first author – 8 points/work, co-author – 4 points/work)
    - $3,0 \leq IF < 4,5$  (first author – 12 points/work, co-author – 6 points/work)
    - $IF \geq 4,5$  (first author – 18 points/work, co-author – 10 points/work)
  - b) In journals without IF
    - with rating of the Ministry of Higher Education and Science (first author – 2 points/work, co-author – 1 point/work)
    - without rating of the Ministry of Higher Education and Science (first author – 1 point/work, co-author – 0.5 point/work)
11. Co-authorship of monography/handbook<sup>d</sup>:
  - monograph (exclusively 1 and 2 author, max. 2 monographs) (3 points per publishing house)
  - chapter in the notebook/monograph (exclusively 1 and 2 author, max. 2 chapters) (1 point per chapter)
12. Diploma of completion of the second faculty <sup>a</sup> (3 points per faculty)
13. Diploma of completion of post-graduate studies, max. 2 diplomas <sup>a</sup> (1 point per diploma)
14. Foreign internships or other stays (min. 2 weeks, foreign, related to the field of study at the Doctoral School <sup>a</sup> (1 point per stay)
15. Internship as part of the LLP/Erasmus programme or other projects co-financed by the EU (min. 2 weeks) <sup>a</sup> (3 point per internship)
16. Participation in projects realized by the University where the Candidate studied <sup>a</sup> (max. 5 projects) (1 point per participation)
17. Participation on a scientific convention committee or a symposium (max. 3 points) <sup>b</sup> (1 point per participation)
18. Patent submission <sup>a</sup> (5 points per submission)

19. Active share in events that promote and disseminate science <sup>§</sup> (max. 3 points) (1 point per participation)

20. Sport achievements<sup>h: \*</sup> (maximum 3 achievements):

- I-III place in international competition in the period of studies or after their completion (2 points per achievement)
- I-III place in national competition in the period of studies or after their completion (1 points per achievement)

**Certificate on non-re-taking a year and lack of conditional pass (to be filled out by the University employee)**

Mr/Ms (Surname and first name).....

Student of the major .....

Year of studies.....

University: .....

does not re-take, did not re-take the year nor does/did he/she have a conditional pass in the course of any year of studies to date.

Signature of person authorized by the University:.....

....., on.....

---

<sup>a</sup> obligation to attach confirming documents (i.e. diploma, certificate, confirmation of obtaining/participation in grants realized outside the MUB),

<sup>b</sup> obligation of confirmation by the Science Department or alternative substantive unit of the University;

<sup>c</sup> obligatory confirmation issued by the scientific club supervisor;

<sup>d</sup> obligatory bibliometric analysis confirmed by the MUB or another university's library;

<sup>e</sup> obligatory confirmation of the work presentation form and in case the Candidate presented the work whilst not being its primary author - necessity to confirm the presentation with full name indication;

<sup>f</sup> each scientific work/summary may be submitted solely once;

<sup>§</sup> obligatory confirmation by the Promotion and Recruitment Department, Office for Communication and Science Popularization or by another substantive unit,

<sup>h</sup> obligatory confirmation by the Physical Education and Sport Study at a given University
