4,4 mln EUR str.25

W konkursie mogą uczestniczyć:: Civil society organisations (associations, foundations, NGOs and similar entities); Member States' authorities and established networks in the field of public health.

#### **Call for proposals: action grants boosting cancer prevention through the use of the European Code against Cancer and other concerted actions**

*Support for mobile app training, piloting, promotion, use* 1,5 mln EUR

*Support for health literacy*

W konkursie mogą uczestniczyć:: Civil society organisations (associations, foundations, NGOs and similar entities) ; Public authorities and established networks in the field of public health

1 mln EUR Str.27

#### **Direct grants to international organisation (OECD): establishment of a Cancer Inequalities Registry to map disparities and inequalities between Member States and regions**

1,5 mln EUR Str.29

### 2.2 Cancer: Saving lives through sustainable cancer prevention

**Call for proposals: action grants to support actions to improve access to human papillomavirus vaccination**

W konkursie mogą uczestniczyć:: Civil society organisations (associations, foundations, NGOs and similar entities

1,2 mln EUR str.31

**Direct grant to Member States' authorities: Support to assist Member States to roll out large-scale Human Papillomavirus vaccination campaigns**

JA 3,8 mln EUR str.33

**Direct grant to International Organisations (International Agency for Research on Cancer (IARC) to revise and update European Code against Cancer**

1,5 mln EUR str.35

**Call for proposals: Action grant to reduce liver and gastric cancers caused by infections**

W konkursie mogą uczestniczyć:: Academia and education establishments, research institutes, hospitals, enterprises in the field of public health ; Member states' authorities and established networks in the field of public health

2 mln EUR str.37

**2.3 Cancer: Improving Early Detection**

**Call for proposals: Action grants to support accreditation and certification of quality assurance schemes for breast, colorectal and cervical cancer screening programmes.**

W konkursie mogą uczestniczyć:: Civil society organisations (associations, foundations, NGOs and similar entities); academia and education establishments, research institutes, hospitals, expert networks and Member States' authorities - cancer centres

2 mln EUR str.39

**Call for proposals: action grants on collection tasks in relation to updating the European Cancer Information System to monitor and assess cancer screening programmes**

W konkursie mogą uczestniczyć:: networks in the field of public health (responsible for cancer screening), Member States' authorities; academia and education establishments; research institutes and civil society organisations (associations, foundations, NGOs and similar entities).

2 mln EUR Str.41

**2.4 Cancer: Ensuring access to high standard cancer care diagnosis and treatment**

**Call for proposals: Action grants for 'EU Cancer Treatment Capacity and Capability Mapping' project - Network of Comprehensive Cancer Centres**

W konkursie mogą uczestniczyć:: Academia and education establishments, research institutes, hospitals, expert networks; Member States' authorities and established networks in the field of public health

1,2 mln EUR str.43

**Direct grant to Member States' authorities: Network of Comprehensive Cancer Centres (NCCC)**

Preparatory action on creation of National Comprehensive Cancer Centres and EU Networking  
JA 3 mln EUR  
Establishment of new EU Networks of Expertise on Cancers and Cancer Conditions  
JA 4 mln EUR Str.44

**Call for proposals: Action grants for inter-speciality cancer training programme**

W konkursie mogą uczestniczyć: Academia and education establishments, research institutes, hospitals, expert networks including ERNs; Member States' authorities and established networks in the field of public health  
7 mln EUR Str. 46

**Call for proposals: Action grants for project on the quality and safety of radiation technology in diagnosis and treatment of cancer**

W konkursie mogą uczestniczyć Academia and education establishments, research institutes, hospitals, expert networks including ERNs; enterprises in the field of public health; Member States' authorities and established networks in the field of public health  
3,5 mln EUR Str .47

**Call for proposals: Action grant for Computer-aided Drug Repurposing for Cancer Therapy Project**

W konkursie mogą uczestniczyć Academia and education establishments, research institutes, hospitals, expert networks; Private entities ; Member States' authorities and established networks in the field of public health  
3 mln EUR str.49

**Call for proposals: Action grants for 'Cancer Diagnostic and Treatment for All' including 'Genomic for Public Health'**

Cancer Diagnostic and Treatment for All 3 mln EUR  
Genomics for Public Health project 3 mln EUR

W konkursie mogą uczestniczyć; Academia and education establishments, research institutes, hospitals, expert networks including ERNs ; Private entities (profit and non-profit) ; Established networks in the field of public health  
Str.51

**2.5. Cancer: IMPROVING THE QUALITY OF LIFE FOR CANCER PATIENTS, SURVIVORS AND CARERS INCLUDING REDUCING INEQUALITIES IN CANCER CARE AND CHILDHOOD CANCERS**

**Direct grants to international organisations: EU HEALTH SYSTEM RESILIENCE TESTING AND SUPPORT PROGRAMME**

Grant do OECD and European Observatory on Health Systems and Policies

## 4. DIGITAL (DI)

### 4.1. ESTABLISHMENT OF A EUROPEAN HEALTH DATA SPACE (EHDS) – INFRASTRUCTURE AND GOVERNANCE – SECONDARY USE OF HEALTH DATA

**Call for proposal: action grants for developing a pilot project for an EU infrastructure ecosystem for the secondary use of health data for research, policy-making and regulatory purposes**

W konkursie mogą uczestniczyć: Member States' authorities and research infrastructures, ERICs etc.

5 mln EUR

str.86

### 4.2. ESTABLISHMENT OF A EUROPEAN HEALTH DATA SPACE (EHDS) – INFRASTRUCTURE AND GOVERNANCE - PRIMARY USE OF HEALTH DATA

**Direct grants to Member States' authorities: enlargement of the geographic coverage and scope of the MyHealth@EU Digital Service Infrastructure (eHDSI)**

JA 11 mln EUR

str.88

**Direct grants to Member States' authorities: enabling patient access to their health data**

JA 2 mln EUR

str.90

**Direct grants to Member States' authorities: increase health data semantic interoperability and build national capacity on health terminologies**

JA 3,6 mln EUR

str. 92

### OTHER ACTIVITIES (OA)

**Direct grants to Member States' authorities: events organised by the Presidency of the Council of the European Union**

0,2 mln EUR

Str.93

## PROCUREMENT

EUR 145 919 898,

str.94

Crisis preparedness:

EUR 79 000 000

Disease prevention:

EUR 30 450 000

Health systems and healthcare workforce:

EUR 24 904 000

Digital:

EUR 10 150 000

Recurrent, horizontal and communication activities:

EUR 1 414 898

### 1. CRISIS PREPAREDNESS

**FLEXIBLE MANUFACTURING - PREPARATION OF THE EUROPEAN HEALTH EMERGENCY PREPAREDNESS AND RESPONSE AUTHORITY (HERA)**

40 mln EUR

str.94

**Communicable diseases: surveillance systems requirements, early detection, risk assessment**

3 mln EUR str.94

**Support to the implementation of the 2017 EU One Health action plan**

1,5 mln EUR str.95

**EU Immunisation initiative**

9 mln EUR str.96

**EU preparedness: Capacity and capability assessment and training programmes for health specialists**

5,5 mln EUR str.97

**AMR - Preparation of HERA**

2 mln EUR str.97

**Intelligence gathering - Preparation of HERA**

13 mln EUR str.97

**Mapping of medical countermeasures - Preparation of HERA**

5 mln EUR str.98

**2. DISEASE PREVENTION**

**Prevention of non-communicable diseases and related risk factors**

1,75 mln EUR str.99

**Disease knowledge gate**

3 mln EUR str.98

**Tobacco control policy, implementation and enforcement of tobacco control legislation**

1,6 mln EUR str.100

**Cross-cutting cancer actions: saving lives through sustainable cancer prevention**

5 mln EUR str.100

**Cross-cutting cancer actions: improving the early detection of cancer**

11,5 mln EUR str.101

**Cross-cutting cancer actions: ensuring access to high standard in cancer diagnosis and treatment**

0,5 mln EUR str.101

**Cross-cutting cancer actions: improving the quality of life for cancer patients, survivors and carers, including the reduction of inequalities in cancer care and childhood cancers**

7,1 mln EUR str.101

**3. HEALTH SYSTEMS AND HEALTHCARE WORKFORCE**

**Digital collaboration and synergies between EU decentralised agencies<sup>31</sup> and DG SANTE – Health Policy Agency Collaboration)**

8 mln EUR Str.102

**Strengthening the implementation of the legislation on blood, tissue and cells and organs and cooperation between national authorities and professional sector associations**
